We send our strongest prayers of love for you and your family. Honor goes to Derek for being such a great young man. As you bid your oldest son farewell, please know that it is only for a little while. I have no doubt whatsoever he is with his father, another great man. They are together and will both be there tomorrow to lift you up and get you and your family through this hardest of times. Love and heartfelt support now and always, Sally Jacobsen & and family*
