“ I went through school with Johnny, from kindergarten on. We shared many things growing up, we never had hard words. I have tears in my eyes writing this, John was a good person and I remember when he got his first job at Parkman Rd Barber Shop and his first car. I can't make the Services today, as I have to take my wife to the Doctors. Like John, Marge has been sick since 1975. Jim, that was nice what you put in the paper today. He will be with his Mom and Dad and will be in no more pain, just love. I am sure God has a place in heaven, John was good. We send our Love to his daughter and family
