“ I have so many fond memories of Fred. He was such a good cousin to me and to my family. I remember how he helped my Dad when my Dad lived in Honolulu, and how he helped me during my many trips to help care for my Dad in the nursing home. Fred was such a strong and such a calm man. He inspired me when I was in low spirits. I was so glad to have those days with Fred, Patti, Scot, and Ryan, and to meet Patti's dear Mom and Dad. I am sorry that Fred had to endure so much pain for so many years. I am sorry that Patti had to go through so much and then to lose her husband and her mother within several days is really too much for one woman. I love you Patti and am thinking about you and praying that you and the boys can find extra strength somehow to make it through the next few days and weeks.... Love, Gwen Bock Block
