“ *Paul, please accept my deepest sympathy with yet the loss of another brother. I have such fond memories of your brother Joe who was a good friend of mine and of Frankie who was friends with my brother George and cousin Bobby Feher. Both of them such pranksters and full of fum. I remember your mother well also and how hard she worked to take care of all her boys. You and David were much younger and thats about all I remember of the two of you. I did not know of David's passing but I remember when Frankie's daughter died. I had lost a son to, so I could relate to his pain. May God bless you and help you through this difficult time. I know Frankie is fondly remembered by so many of his friends.*

Prayers,
