“My memories of Frank are lively and happy. He was one of the first people I met when I came to First Baptist Church. His sense of humor was quick and fun. After I become a trustee I realized he was a thoughtful and steadfast believer and could be called upon for guidance and a straight answer. I found Frank and Jean a delightful couple. I am proud to have known you both.

“Worked with Frank at PEC and Wean Engr in the late 50's and early 60's. He was very helpful with me learning the Drafting professional. I was in my early 20's and needed help from someone like him. He attended my wedding in 1959. I will always remember him. We had a nickname for him. We called him "Snevets". This was Stevens spelled backwards. My warmest regards to all of his family.
