“ We will certainly miss Aunt Freda. Her kindness, compassion and wit made her "one of a kind". Many times she visited Larry & I here at our home and called frequently to "chat" with Larry. She always made us laugh. We sat the other night and talked about having supper with her at Eat n Park many times, as she enjoyed dining there, and the staff enjoyed her also.

One time in particular her conversation with us left us both in tears from laughter, that time, we will forever cherish. Even though our kids are all grown now, they still remember going to "Aunt Fredas" to swim in her pool.

She will forever have a special place in our thoughts and most of all our hearts.

Please accept our sincere sympathy and know that we keep you all in our prayers at this time.

“ I will miss my dear aunt Freda, whose husband ,Bob, was my late mother's brother. I will remember her as gentle, kind, loving and "all heart." I will especially recall all the hours she spent sitting by my mother's bedside after my mother's series of strokes a few years ago. even tho it was at that time difficult for aunt Freda to get around, she made certain to visit my mom regularly, and asked fo rnothing inreturn. She was a part of my immediate family and will always be in my heart and prayers. My thouhgts and prayers also go out to her children
