“ Sallie,

My mom told me over the weekend about your dad's recent passing. I was sorry to hear the news. I always liked your dad; he was a quiet, soft-spoken man.

My thoughts are with you and the rest of the family.

“ We knew George a long time ago when he was at Hillside and working with our son, Ken Kramp, about golfing techniques he needed to work on. One of the last things I remember George saying in regards to his golfing is "I just want to stay up when I tee off." This is my only worry. Marilyn Kramph

“ I wanted to send my condolence to the Daugherty family. I was blessed to have George part of my Adaptive Sports Program. George help me start the GOLFF Program back in 2000 and he truly was a perfect model for what it stood for. Go On Living For Fun. I always told him he would be my Poster Boy and he lived up to that. George always walked the extra mile. He always brought a smile and always gave of himself to make others feel special. When I look back at the time I spent knowing George he is one that has made me who I am. God Bless George and I thank God for George's friendship.
