“ *Aunt Helen.....Not sure what to say other than I will always have fond memories of Uncle Bub. Wish I could play one more round of golf with him, but I think the way I played the last time he would not wish the same. You are in my prayers. Ken & Kenny Kozak.*

“ You have our deepest sympathy. Harry worked with my dad (George Palcich) at Van Huffel and remember the stories he would tell. Dad even would stop by and see Harry on occasion. My husband Bill worked with Harry at General Motors and would also pay him visits at home (what a small world). Bill knew Harry sold his home but thought he moved down south. Bill said he was a good man and was honored to call him friend. May God bless all you and give you comfort in your time of sorrow.
