“ My thoughts are with you at this difficult time. I went to school with your Dad and Mom and thought so much of them. They were a wonderful couple! My parents lived on Sunset Dr. and often talked with your parents and used to tell stories about "Jerry and Nancy's sweet little boys!"

“ My sympathy to the family. I was a nurse for 31 yrs at Packard Electric and knew Jerry from there. All of the nurses loved him. He was wonderful to work with. We always heard about Eric and Shawn. He will be greatly missed by anyone who knew him.

“ I met Jerry long ago when he and my sister were classmates and friends in high school. I still have a .45 pistol holster he gave me, and thought of contacting him to say hello and to see if he wanted it back. If any relative would like it as a keepsake, I'll be happy to return it. He made a good impression and I'm sure was a fine father and husband. You have my condolences.
