“ *Dad- I am thinking of you today, as I do everyday. Wondering where you are and what you are doing. I still miss you so much that it tears my heart out. I am having trouble making it from day to day without you here. I always knew that I loved you but I never knew that I'd never see you again. You were always my 'Rock' and I fall down everyday with no body to pick me back up and say that everything is going to be ok. It will never be ok again...until I see you in Heaven. I love and miss you Debbie.*
