“ Buddy was such an asset to the Corps in Warren. He was always there to support the programs at the Corps, and to support his wife, Sally, and daughters, Ruthie and Dawn.He had a great sense of humor, too. We especially remember his cooking the traditional New Year'sEve dinners; pork and saurkraut.
Our love and prayers go out to the family.

“ I'm sorry to have learned about Joe's passing. I was a driver for USF Holland in Warren for 22 years and would go to Everett 2 to 4 times a week. Joe's was a hard worker and always willing to help. He always had something positive to say no matter the circumstance. With his passing, there's one less good guy in the world today. God Bless Joe forever.
