“ *Ms. Troxell was my algebra teacher at Warren G. Harding High School around 1971 and as I read her death notice it was also the year she retired. I always laugh when I think of Ms. Troxell because she was a feisty lady, didn't put up with rude students, but she was also funny. Our class loved her, as I remember. I tried to find her a few years ago but gave up, thinking she had already left us. So sorry I didn't try harder. Rest in peace with your parents and siblings, Ms. Troxell.*

“ Dear family and friends of Miss Troxell,
Please accept my condolences for Miss Troxell's passing.
It is good to learn that she lived a long, full life. She was a great
math teacher. I had her for algebra and geometry in 1955-56 at
Harding High. Our class gave her roses on her birthday. She was
very appreciative. I think we knew that we were fortunate to have
been in her class.

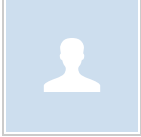

With sympathy,

“ *Dear Friends of Lorene Troxell, as we know, teachers touch not only the present but also the future. I was blessed to have had Lorene for beginning Latin in summer school (I graduated from Harding, class of '49) and never dreamed that she would become a lifelong friend.*

We have corresponded all through the years since..... she always was so appreciative to hear from me. When she could no longer reply, I continued to send cards and notes.

I have my dear brother to thank for sending me her obituary. I had not realized that she had been such a world traveler!

Giving thanks for her dedication and caring as a teacher and for being such a special friend and role model to me! Now she is in the Life Eternal.
