“ *There is not enough space or enough words to describe this wonderful man. We are so lucky to have known Moe, be a part of life and him a part of ours. He was a grandpa to the kids, a dear friend to my husband and my auction buddy that I love so much and will miss with all my heart. You left us with some beautiful memories and we will cherish them forever xo*

“ *Daddy....you knew my heart and you knew my situation, and for that I have a clear conscience. As of this writing I still have not been contacted by your " loving wife"...but you and I had a bond that wasn't going to be broken regardless of how hard people tried. I will always cherish our secret calls that no one knew about and the secrets we shared. Love you Daddy.....everything is ok now....enjoy fishing as I still have pictures of the fishing site where you showed me you wanted your ashes spread. XOXO*
