“ Tom:
I will miss seeing your dad at a scrappers or aeros game. He was a consummate fan, loved watching a good game, no matter where or what. My heart goes out to you and your family. I hope to see you again soon, probably at a ball game.

“ *I am not sure if you do remember me, but I lived two houses down from you on Kenilworth. We used to play together before you moved to Canada. Those were fun days and of course, I remember the horrible fire and I do remember both your parents. They were always so nice to me, even when we "painted" the third floor. I am so sorry for your loss.....prayers for you as you say good bye to your daddy. Susie Perrett Coggins, Fort Mill, SC*
