“ So sorry to hear of Robert's passing. It has been years since I saw him or my other cousins Richard and Henry and Joe. (Did not know Henry also passed.) But I wanted to share something that I will always remember of my cousins. They were always around with the motorcycle rides or just to hang out when we were kids. Always kind to us. Always had a lot of fun just being ourselves. Time and life gets in the way and it takes something so permamnent like losing someone before we realize it is to late to say hey... You meant something to me.
