“ I, much like the poster before me, did not know Robin personally. It is amazing the effect & "draw" that some people have upon you when you never knew them. Seeing Robin's picture I felt compelled to "tip my hat" to him, & this is the only way I knew how. Even the fact that I have never met Robin, has not shadowed the fact that I can tell that Robin was a good soul. My prayers go out to his family, especially his wife, during this the most difficult of times this earth can bestow upon us. I know first hand the horror of waking up alongside your significant other nevermore, the feeling of being robbed of life at such an early juncture along the way. With this knowledge my heart aches for Robin's family & loved ones.

*My prayers are for you, as God is the only comfort in this hour.*
