“ I had the privilege of knowing Ron and interacting with him at Cedar creek. He was a great man and he will be missed. He enjoyed the extra attention from the hospice and I know if he could he would thank them. I offer sympathy to his family at this time; take comfort in your memories that you carry to help you through this difficult time. I know he will always remain in the hearts of the staff at Cedar creek.

“ Growing up with my older cousin, when we all lived with our grandparents the Wright's, I always looked up to him..when he got out of the Air Force we spent a lot of time together. We became snowbird buddies later in life making visits to Uncle Bill and Aunt Virginia's condo in Cape Coral. when he got out of the Air Force we spent a lot of time together. Ron, you had a heart of gold, just needed the right person to give it to...now you are at peace and in the loving arms of the Lord and being greeted your family who have gone before..Prepare the way for the rest of us to meet with you again..Condolences to the rest of my family. I wish I could be with you all at this time...Love, Barbara
