“ Our thoughts and prayers are with the Wright family on the passing of this most extraordinary man. Some of my early memories as a youth are listening to family discussions with Sal as a main participant. I distinctly recall his intelligence, practical perspective, and logic in those discussions. He was an inspiring family figure to me then. Learning more now of his self giving life, he remains so for me today.

“ It was a pleasure knowing your father. The old saying goes "the apple never falls far from the tree." I see now where you get your kindness and giving nature, Dr. Wright. I hope God will be a comfort to you and your family at this difficult time. Love you always Judy

“ I attended Harding Jr. High when Mr. Wright was the principal. He was approachable, kind and caring. The kids adored him. Mr. Wright could be found wherever the kids were, either cheering or participating in an event.
It was with gratitude that I was able to visit with him a short while ago. He greeted me with the same smile and warmth he generated throughout my jr. high years.
Mr. Wright, you will always have a special place in my heart.
Love, Gloria

“ So sorry to learn of your loss, and that for the world of Rotary and beyond. I still remember the day SP first walked into Girard-Liberty Rotary looking to find out more about what we did. He soon found out that through Rotary, great things can happen, and all it takes is a good idea and a great person behind it. Please know that I have wonderful memories of my time with SP until my move to California, and your family will be in our prayers for comfort at this difficult time.

“ The world is a better place because of people like SP Wright. He was a highly respected educator, who for over 30 years impacted the lives of those he taught as well as those that worked for him. He was a strong and influential advocate for persons with disabilities and a humanitarian that planted and nurtured the seeds of what is now an international program to provide clothing for the poor. In addition, SP was a dedicated godfather to my sister, Barbara, and a dear friend of the Abernethy family. Your always smiling presence here on earth will be greatly missed SP!
