“ Dearest Bill

*It has been three years since you left us. The pain in my heart hurts just as bad as the day you pass. I miss you so much. I try to keep busy with things. I go out with friends shopping, lunch, grandkids ball games. Wish you could have lived long enough to see Bell play. She is real good in soccer, softball and basketball. You would have got a kick out of her, sweetheart. When she hit a homerun, makes a goal, or a basket she looks up and smile. I always give her (2) thumbs up. All the kids and grandkids are doing good. All missing you so much. Mr. Dye pass, another fishing buddy. I think yesterday was the first race of the year. Don't know who won, you know I never like car racing. You would always tell me the race start at 2:00, you and Jeep going gambling? Have not been lately. Saving my money to fix up my condo. But I am going to Sandy and Dennis in May, for a hundred mile long yard sale. You would like that. Should be a lot of fun, and a lot of walking. haha. I'll say good nite now. Love and miss you so much. And hope it won't be long, till I am by God and your side in heaven. your sammie*
