“ *I have often wondered how "Curly" was doing. We had visited his wonderful museum in the basement of his home several times. It was such a thrill to talk with him and share his adventures. My husband, Richard, remembers him when he worked for Warren Automotive in the 50's and delivered parts to Curly at RD Banks... everyone loved Curly.. he was just that kind of man and I have fwd this obit to several out of town former Southington residents who felt the very same about him.*

I am sure he is in Gods House now, and enjoying the view and giving pointers!! He was a wonderful person and it was such a pleasure to have known him.

*Our Sincerest sympathy and prayers,
Richard and Virginia Hayes Yocum*
