“ Grandpa,
As I look back over the past week I am overwhelmed with emotion. I am so happy that I was able to be at your side and hold your hand these past few days. I now understand what you meant earlier this week when you kept telling us you wanted to go home. We kept saying "you are home grandpa" but you didn't mean this home. You meant HOME with the lord. It comforts me knowing you are now at home and at peace. I miss you already but this isn't goodbye, this is see you later. I love you, you will always be in my heart.

“ *Grandpa,
I know that you are now at peace and up there shining down on us. I know that you are with all of us every step of the way until we meet again. You were a incredible man and I was so lucky to have the 22 years that I had with you. I will always remember your smile and love. In everything I do I hope u are right next to me and wrapping your beautiful angel wings around all of us. You were a great husband dad and grandfather and gave me the best dad that I could ask for. I love you and I miss you so much already. You are always in my heart.*
